

Nissan Forklift

Nissan Forklift Training Windsor - Nissan prides itself on reaching total customer fulfillment when their customer is enjoying one of their many trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to delivering high value and meticulous quality standards to their customers. Incorporating a fruitful heritage combined with strong manufacturing principals, Nissan Forklifts provide some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their assorted purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing consumer support, the business has four distinct manufacturing facilities that allow them to persistently adapt to their clients continually evolving needs by offering an assortment of modern ideas and concepts.

The Nissan Forklift North and South American foundation is situated in Marengo, Illinois. A devoted team of 350 personnel is fully committed to the collaboration, design and manufacture of their goods. Operating under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to preserve environmental responsibility by utilizing methods that diminish the worldwide effect of their goods and processes. These high standards remind clients that Nissan operates under the quality seal that their consumers demand whilst being an environmentally conscious organization.

Nissan is quite certain that any of their consumers queries and client worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community endorsed sellers or even visiting their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and commitment.
